We wish you inform you that you have installed Artic master Equipments of 2 No's in our 22 TR in one unit in "**Blue Star**" Air Conditioners. The units are performing well since it's installation from **30.05.2010**. After the installation of the Articmaster units, we have noticed **30.58%** of energy savings in air conditioners apart from the smooth running of the compressor units.

We are very happy and satisfied with the products and with their service team.

With Best Regards,

For Jubilant Retail,
